

Our new **Scotchgard Protective Films** provide protection to **protect graphics, surfaces and windows** from vandalism and damage. These products are **easy to apply** and clean without the use of harmful and abrasive chemicals.

Why waste time and money replacing windows?

Let us help you *prevent the damage in the first place* – by **winning** the **fight against graffiti** *before* it begins.

For Glass Windows and Mirrors!

Scotchgard™ Anti-Graffiti Window Film

For protection of glass from all forms of graffiti such as scratches, acid etching and gouges in retail, public facilities and any street-level glass applications.

- **Gouge Resistant**
Helps repel intentional attempts to gouge, destroy or deface graphics and surfaces.
- **Acid-etch Resistant**
Helps protect glass from permanent damage caused by glass etching solutions.
- **Scratch Resistant**
Resists scratching and other abrasion caused by sharp objects or devices.
- **Clean Removability**
Adheres clearly and firmly to glass, but can be removed leaving little or no residue.
- **Indoor/Outdoor Use**
May be applied to either interior or exterior locations.
